Welcome to the Serial Bowl web site!

Since 2005 the Serial Bowl has offered a large selection of Public Domain and Out of Print serials at very reasonable prices. All serials in our inventory sell for \$9.95 each. Each & every serial offered has been re-mastered and in some cases cleaned up, and then formatted with a menu for easy access to each and every chapter.

NOTE: Even with digital clean up and enhancement, this does not ensure a perfect copy. Most of these serial prints have been taken from old 16mm film, and sometimes due to age and storage they are not the best quality, but they are the best we currently have to work with. They are what they are, and until better prints surface in the future, these are the best we have to offer at the present time. If you have questions concerning any serial before you make a purchase please write to us at movies@serial-bowl.com and we'll be happy to answer your questions.

All disks are DVD-R and should play on any DVD player manufactured in the last 5 years. Every disk comes packaged in a DVD plastic case with full color artwork.

We also guarantee all our DVDs against defects in the manufacturing process. If it's defective, return it and we will replace it.

We have tried to make the ordering process as easy and secure as possible. We have chosen to utilize "PayPal" as are Credit Card processing center. You may also order by mail if you so choose. **We accept Money orders only, NO PERSONAL CHECKS** To help speed up snail mail deliveries just send along a note of the serials you wish to purchase to MOVIES@SERIAL-BOWL.COM we will have your order shipped out ASAP.

Credit card orders are processed and shipped within 1 to 2 days after order arrives. Our turn around time from order to delivery is usually 7 days or less as we ship everything Priority Mail.

For those of you who choose to purchase your DVDs via mail, shipping and handling charges is \$7 .95 for combined orders of 5 DVDs or less and \$1 for each additional item over 5 DVDs.
